

Green Valley RV Resort Newsletter – March 2018

Telephone: 520-625-3900 www.greenvalleyrvresort.com

HI EVERYONE!

It's great to see the park so full and active. As president of our Activities Committee, and on behalf of everyone responsible for our many activities, we want to invite you to our **ANNUAL APPRECIATION PARTY**. We want to take this opportunity to thank everyone involved in the success of our park. This includes management, office personnel, maintenance people, workers in the guard shack, and all volunteers who take part in the activities in the park. But it also includes the "participants". Without good attendance at the events, volunteer efforts would be wasted.

The APPRECIATION PARTY will take place in the ballroom at **4 pm** on **Saturday March 3rd**, right after the **Annual Election of Officers for the Activity Committee**. Speaking of election of officers, you are also invited to attend this event in the ballroom at **3 pm**. AND if you are interested in being involved with the Activities Committee, just contact someone on the Officer List on the bulletin board just outside the north kitchen door. We meet the first Tuesday of the month (Nov-April) at 9 am in the library. Management, workers, volunteers and participants are all part of what takes our park from GOOD TO GREAT!

There will be surprise entertainment at the APPRECIATION PARTY, so please sign up soon so we will know how much to order. We will provide food, dessert and beverage (BYOB).

THANKS EVERYONE. HOPE TO SEE YOU THERE.

- Carole Drewis, Activities Committee President

Senior's Humor Corner

With all the new technology regarding fertility recently, a 60+ woman was able to give birth. When she was discharged from the hospital and went home, her relatives came to visit.

"May we see the new baby?" one asked.

"Not yet," said the mother.

"I'll make coffee and we can visit for a while first."

Thirty minutes had passed, and another relative asked,

"May we see the new baby now?"

"No, not yet," said the mother.

After another few minutes had elapsed, they asked again,

"May we see the baby now?"

"No, not yet," replied the mother.

Growing very impatient, they asked, "Well, when can we see the baby?!?"

"WHEN HE CRIES!" she told them.

"WHEN HE CRIES?" they demanded.

"Why do we have to wait until he CRIES?"

"BECAUSE I FORGOT WHERE I PUT HIM, O.K.?!"

Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it.
