## From Our Activities Chair

I say THANK YOU a lot, but please know it is heartfelt! It has been a busy year with lots of activities and another year of outstanding entertainment. I expect the last dance will sell out so Marian can brag that EVERY EVENT THIS YEAR WAS A "SELL OUT". Great job 😊.

Also thanks again to everyone who participated at the Talent / No Talent Show. I saw lots of chair covers. Thanks for a great project Mary! The funds from those sales and the honey money are earmarked for a surprise new addition to the coffee service. You'll have to come back next year to see it.

It's sad the season is winding down for us snowbirds, but we are looking forward to the fall. Hope you all have a safe, happy, and HEALTHY summer. – Carole Drewis

## Managers' Update for the April 2019 Newsletter

Wow! How time flies by when you are having fun!

First and foremost, I want to thank your Outstanding Activities Committee and ALL the volunteers who make things so special here at the Green Valley RV Resort.

A special thank you to Marian and Michael for the absolutely fabulous job, as always, that they do with the Entertainment Program and to Carole Drewis for her untiring leadership. Our community is truly blessed by what they do for us. Be sure to let them know!

If you have not reserved a space for next season by now, you may be in trouble. We have become a popular destination and so, unlike in the past, there is competition for every one of our available transient RV spaces. So please drop by or call the office space if you haven't already done so. We are almost booked up for the months of Dec 2019 – Mar 2020. Because RVs are continuing to grow in size, the spot you are accustomed to may no longer be guaranteed.

We thank you and appreciate your loyal support to our park!  
- Jeff and Annelle Holzman (Managers)

## ENTERTAINMENT!

Some Club House entertainment and activities continue during Spring, Summer, and Fall - and some do not. Check on the Activity Boards for updates.

## Senior Yoga Time Change

Senior Yoga now begins at 6:45 am and runs until 8 am. It occurs Monday to Saturday and is led by Neta Kinder.

## Group Karaoke Singing – Aged to Perfection!

Aged to Perfection, our group-karaoke singers, finished this season having presented 3 outreach sing-alongs in the Green Valley community. We led two karaoke sing-alongs at La Via Memory Care in La Posada and one at Canyon Valley Memory Care.

I am so proud of our singers for their singing skills as well as their caring interaction with the memory-care residents. Several of our singers have remarked about the change they observed in the residents' faces as soon as our music started. I'm sure our sing-alongs were a highlight of their day! All our audiences have been engaged with our music and have sung along with the music and words on the television screen. That's why we go out on these fieldtrips! Thank you to Bev Price and Anne Brown for volunteering to be our MCs for our sing-alongs this season and to all our singers who have so generously given of their time and musical talents.

Aged to Perfection rehearses once a week and will be singing again at assisted living and memory care facilities next season. New members are welcome. If you're interested in joining us, please keep in contact with me.

Until next season, Priscilla Zimmermann #246
