

Green Valley RV Resort (GVRVR) Newsletter – March 2024

Telephone: 520-625-3900 - www.greenvalleyrvresort.com

MESSAGE FROM THE ACTIVITY COMMITTEE CHAIR:

Happy March! It's nice to experience the warm sunny weather we are having!

The final total on the Wish Tree was \$1558.00 (we even beat last year). A huge THANK YOU to all who participated. We have the most giving community!

I hope everybody is participating in the events sponsored by the March Block Committee (Lots 224-304). The March Block Leaders are Nancy Mikleton (Lot 278) and Nancy LeVey (lot 253).

March 23 at Noon will be the annual meeting followed by an appreciation luncheon. This is the Activity Committees chance to thank all the volunteers and participants for our GVRVR activities. You will vote to accept the slate of nominees. We love your participation in all the events we organize!

If you have ideas for improving existing activities or creating something new, please speak with the appropriate coordinator from the list of committee members listed in the newsletter.

Mary Johns, Activity Committee Chair, Lot 20, 206-898-6594, denmar@southendaccountant.com

MESSAGE FROM THE INDOOR COORDINATOR:

We have lots of activities going on. If you are new to the park or haven't been involved before look on the clubhouse bulletin boards to see all the activities GVRVR has to offer. Come and enjoy the fun before the season is over!

Karla Abdo, Indoor Coordinator, Lot 83, 218-790-1844, karlaabdo1844@gmail.com

MESSAGE FROM THE ENTERTAINMENT COORDINATOR:

“Only a life lived for others is a life worthwhile.” (Albert Einstein)

It has always been important to me to serve my community; the opportunity to serve GVRVR as your entertainment coordinator has truly made me happy. Seeing folks enjoying the performances and dances keeps me moving forward. As the end of my 4-year term approaches I'm honored to turn this opportunity over. Bookings for next year's performances will be completed before the end of the month so the new coordinators will be able to ease into the job without having to hire performers for their initial year. I'm still excited to be able to put on Digital Dances and help with Karaoke and future work with communications but I also need to spend more time taking care of myself. Thank you all for your help and support.

Please join us March 16 for Harry Mathews at 7P.

Cathy McConaugh, Entertainment Coordinator, Lot 18, 757-434-1001, cmcconaugha@gmail.com

GVRVR NAMETAGS \$7 / HONEY SALES \$12 per JAR / FOOD BANK:

The Activity Committee has RAW, UNPROCESSED DESERT FLOWER HONEY for sale. Supposed to be good for allergies. Bees are kept near Elephant Head.

Did you know that one of the world's first coins had a bee symbol?

Did you know that honey contains live enzymes? When in contact with a metal spoon, these enzymes die.

The best way to eat honey is with a wooden spoon; if you can't find one, use a plastic spoon.

Did you know that honey contains a substance that helps the brain work better?

Did you know that honey is one of the few foods on earth that alone can sustain human life?

Did you know that bees saved people from starvation in Africa? A spoonful of honey is enough to keep a man alive for 24 hours.

Did you know that propolis produced by bees is one of the most powerful natural antibiotics?

Did you know that honey has no expiration date?

Did you know that the bodies of the world's greatest emperors were buried in gold coffins, then covered in honey to prevent putrefaction?

Did you know that the term "Honeymoon" comes from the fact that the bride and groom consumed honey for fertility after their marriage?

Did you know that a bee lives less than 40 days, visits at least 1,000 flowers and produces less than a teaspoon of honey, but for her it is the work of a lifetime. Thank you, precious bees!

If you want to donate food to the Food Bank, please put items in the boxes in the GVRVR Craft Room or on my porch. Check dates. Only food 2024 or newer. Also, they appreciate money.

We are your local representatives of AAMHO (Arizona Association of Manufactured Home, RV & Park Model Owners), the state's lobbying group that exists to support state legislation to protect our tenant rights. AAMHO is the statewide organization that has been fighting for the rights of homeowners on leased land for nearly 50 years. With the passage of the Arizona Mobile Home Parks Residential Landlord and Tenant Act in 1975 through the revisions up to the present day, AAMHO has been at the forefront of the legislative process with support from dues paying members and the help of a team of volunteers made up of homeowners themselves.

Membership in AAMHO is NOT required for you to attend, however, only AAMHO members can vote in our elections. Dale Powers, GVRVR Tenants' Association President
