GVRVR ROAD SEAL COAT PROJECT: Monday, May 5 – Friday, May 9, 2025

Sunland Asphalt has been contracted to perform a road seal coat maintenance project at the GVRVR. They just completed the crack-sealing operation in preparation for the seal coat project. I'll publish a detailed plan and information on this project in March 2025. As for now, I want residents, guests and visitors to be aware of the dates. This work will be disruptive to your freedom of movement in the park as the material used takes approximately 24 hours to fully cure before vehicle access is allowed. You may want to plan to be out of the park during this week. Certainly not required but be ready for the disruption and to be isolated at least with your vehicle for a 24-hour period.

NEWSLETTER: Please send all January GVRVR newsletter submissions, including special events (birthdays, anniversaries, etc.) by **Thursday, December 19** to Renee Williams, Lot 137, 720-641-0646 (text preferred), TDorn@aol.com (please put GVRVR Newsletter Submission in the subject line).

You can find GVRVR Newsletters and the Activity Calendar on the GVRVR website. Go to www.greenvalleyrvresort.com and click on the "Newsletter" menu at the top. Click on the date button of the newsletter that you want, and it will open on your device. The file is a PDF, which can be opened by several different applications (your device will use a default one). Likewise, click on the "Current Calendar" button to download a PDF of the current activity calendar. You can choose to print, display or save either of these documents. There's one difference between the paper version and the online version, the newsletter has been split from the activity calendar online.
